

SARDAR VALLABHBHAI PATEL STADIUM AHMEDABAD, INDIA

WORLD
MONUMENTS
FUND

This initiative is part of the Comprehensive Conservation Management Plan being prepared by World Monuments Fund in collaboration with the Ahmedabad Municipal Corporation, following the stadium's inclusion in the 2020 World Monuments Watch. Generous support is provided by the 2020 Keeping It Modern Program from the Getty Foundation

WORKSHOP : ASSESSING SIGNIFICANCE

The objective of the workshop is to assess the various values of the stadium, and to understand the critical role of "cultural significance" in formulating a Conservation Management Plan. The Workshop would also serve as a catalyst for building awareness of the need to conserve India's threatened Post-Independence 20 C Architecture.
